Valletta Gateway Terminals

Security Announcement

NOTICE

Attention: **All personnel authorized to use their vehicles on VGT terminals.**

1. The speed limit authorized by the Regulator and policy of the terminal operator is that of **15km/h**.
2. As from the 1st March 2009, speed guns will start to be operated by VGT/KSS Security officers.
3. All those identified not adhering to this speed limit will be first given a warning from our Security personnel.
4. If caught on a second occasion infringing this regulation, the personnel on VGT terminals will be suspended from entering the terminal facilities.
5. Please note that these terminals are under 24 hour surveillance.
6. For your kind co-operation.

Thank You.
The Management.
