2nd March 2011

To: ATTO – Association of Tractors & Trailers Operators

Empty Containers despatched inside Trailers

Dear Sir,

We would appreciate if your Association would advise its members that for security reasons, all containers being despatched from Malta inside a trailer should have their doors facing the doors of the trailers.

This will facilitate inspections on entry when our security personnel will have to verify that the container is in actual fact empty.

Yours faithfully,

Wyekeong Lai
