

Use, possession, trading or being under influence of drugs and/or alcohol is prohibited.

Fire and emergency equipment, (emergency) exits and entrances must be kept clear at all times.

All incidents (damages, leakages, personal injuries, etc.) are to be reported. Contact details of the Security Office can be found on the next page.

WORK PERMIT

If conducting any type of work, excluding cargo handling you need an official permit from Transport Malta.

SECURITY

Access to the terminal is strictly prohibited unless you are in possession of a valid terminal access card or granted permission by the PFSO.

The terminal access card must be presented on demand by Security officer or a company representative.

Weapons are strictly prohibited.

Access to the terminal is granted only for the time and purpose of the visit.

You may be subject to search of your person, effects and vehicle, at random by Security officers.

You are subject to video surveillance whilst at the terminal.

Filming, recording or photographing is strictly prohibited on the terminal premises without authorisation.

Personal Injury and Damages Waiver:

By entering the areas operated by Valletta Gateway Terminals Limited (C38888) you recognise that you are solely responsible for any damage to property, injury or loss of life you may suffer and thus irrevocably hold harmless Valletta Gateway Terminals Limited (VGT), its employees, officers, agents and contractors from all liability, claims and pretensions that may arise in respect of any damage to property, injury or loss of life that you may suffer as a result of, during, arising from, consequent to, directly or indirectly, your access to the area operated by VGT.

You moreover agree and undertake to indemnify and hold harmless VGT, its employees, officers, agents and contractors in respect of any damage to property, injury or loss of life.

Safety & Security Deep Water Quay

This brochure covers the most important safety and security regulations applicable at Valletta Gateway Terminals.

SAFETY

Access to the terminal is strictly at your own risk; drive or walk along the authorised routes.

Wearing high visibility vest and safety shoes is obligatory in all areas of the terminal, with the ONLY exclusions being the office areas and workshops marked with green lines on the pavement.

Hard hats are to be worn in conventional operation areas.

The national traffic regulations apply, unless otherwise is specified or instructed.

Maximum speed 15 KM/H.

Parking in the terminal is prohibited unless authorized by PFSO.

Shut off the engine and always use parking brakes when leaving the vehicle.

Driving along the quayside is only allowed for vehicles with granted access.

At all times beware of truck traffic, crossings and heavy machinery in use at the terminal.

Walking or driving under suspended load is prohibited.

Access to the container operational area, by foot or in a vehicle is prohibited without authorisation.

Observe fences and demarcations.

Access to machinery and installations is prohibited unless authorized.

Whilst driving or during cargo handling, it is not allowed to use mobile phones.

You are only allowed to smoke at designated areas which will be marked by smoking signs.

Open fire is strictly prohibited at the terminal.
